Subject.—

Proposal to permit Mrs. Mathurabai Uchgavkar, Lady Surgeon, to retire from service with effect from 14th May 1937 in view of her physical incapacity to continue in service.

The accompanying papers relate to the application of Mrs. Mathurabai Uchgavkar, Lady Surgeon, Victoria Hospital, Bangalore, for retirement from service on account of her physical incapacity to continue in service.

A Mrs. Mathurabai Uchgavkar was at first given 15 months' leave with effect from 2nd January 1936, on account of her illness and on the expiry of this she was permitted by the Senior Surgeon to return to duty and posted to the Victoria Hospital, in anticipation of Government sanction. On enquiry, it was, however, ascertained that the lady had not yet regained her normal state of health, but was only recommended to be tried on very light work. The action of the Senior Surgeon in allowing her to rejoin duty was, in the circumstances, provisionally approved subject to reconsideration later on, if found necessary.

In the meantime, she herself applied to the Senior Surgeon on 2nd May 1937 for permission to retire from service on the ground of ill health. She was, thereupon, subjected to an examination by a Medical Board, who have expressed the opinion that the lady is completely and permanently incapacitated for further service of any kind and that her incapacity does not appear to have been caused by irregular or intemperate habits. In the above circumstances, the Senior Surgeon recommends that she may be permitted to retire from service with effect from 14th May 1937, the date of the Medical Certificate.

The above recommendation which has been agreed to by the Dewan and First Member of Council, may be graciously approved.
